

Code of Conduct

Code of Conduct

Introduction:

This policy outlines expected standards of conduct to ensure a safe, respectful, and professional work environment.

Professional Behavior:

- Treat colleagues with respect and professionalism at all times.
- Avoid discriminatory remarks, harassment, and any behavior that creates a hostile environment.
- Use professional language in written and verbal communication.

Confidentiality:

- Protect company confidential information and intellectual property.
- Do not share sensitive internal documents outside the organization.
- Sign an NDA where required.

Workplace Ethics:

- Avoid any conflicts of interest.
- Disclose any outside employment or relationships that may affect work.
- Uphold honesty in all work reports, timesheets, and documentation.

Compliance:

- Follow all organizational policies and government regulations.
- Report unethical behavior to HR or the Ethics Committee.

Disciplinary Action:

- Misconduct may result in warnings, suspension, or termination.
- Serious violations will be reported to appropriate legal authorities.

Policy Review:

Reviewed annually by HR and management for updates.
